[THEORY: Dan Scavino is Q](#) STABLE GENIUS

posted 21 days ago by [bowlympicshero](#) +78 / -1

1. He's always with Trump
2. He posts cryptic tweets and posts
3. He's the longest serving Trump aide. (Been there from the beginning)
4. It was reported by Politico that he frequented r/The_Donald
5. He assumed his first role in the Trump admin January 2017 and Q drops didn't start until October 2017
6. Q+ (above Q level clearance aka the President) is known to be Trump and Q has stated he was with the president several times. (Close aide?)

Wonder why...? Q supporters are Trump supporters and they happen to be the only ones following rule number 1 at the moment. Guess the mods like demoralizing the base too.

no, its because everywhere so far that has Q talk on it has been ripped apart like wild dogs,. and TDW is holy. We cannot jeopardize it's health that way. Regardless if you believe it or not.

Because the way Q "drops" are posted it looks like a larp, hard to take seriously especially if not on our side

Negative. If E is Q, then stylometry too different. Vocabulary too different.

it doesn't even matter if Q is real or not - Q has awoken and respilled so many normies.

if q is not real (it isn't) then people were bamboozled by a retarded larper making predictions that mostly never came true and mostly are too vague to ever be understood anyway. it's the same exact shit 'psychics' and fortune tellers do, be vague, say vague shit that can be interpreted by the dummy 'mark' however they want, and because they really, really want to believe they'll interpret in a way that 'makes sense' to them. the q shit is worded so fucking stupidly it's almost like a science experiment on how vague and stupid shit can be worded and still taken seriously by a sizeable group of dum dums.

Yes If it's real, it's either him, or Don Jr.

I mean it lines up. We shall all see. If not, then the EO is real and Q made amazing guesses.

If Q is real, Ezra and Dan are the main Q posters IMO

<https://archive.is/L5hBn> and him getting promoted right after the election. I feel the Q team would be multiple people.

Q could be multiples, but what leads me to believe it's Dan over Ezra is the Q posts. Q refers to Ezra several times in posts, but never Dan. He only links to tweets by Dan Scavino.

I've been thinking the same.

I haven't seen any text posts to make a stylometry evaluation. But I've suspected.

We need one of our autistic cyber criminal trawl Scavino's timelines and match them to Q posts.

Not Q but works right alongside Q. Remember a couple times when they were trying to get 0 delta between Q post and Trump tweet they would be off by a second or two and Q would say “sorry, Dan’ fault” or something similar to that.

Dan is to blame. Wow. Good catch. Perhaps plausible deniability? A serious blow to my current theory. Not a total debunk, but that definitely is a point against.

He did a post a video of the the military fist bumping President Trump at the football game on the 13th at 8:48, which is inline with EO 13848. Here's to possibilities.

You don't have to believe anything nor am I'm going to make a blanket statement of this forum and it's people like OP did in your example. And calling you a hater is hardly name calling when you have people running around calling people fags just for having faith in something that has yet to be proven (or disproven for that fact). I seem to get relatively warm reception to my Q theories. So by virtue of "if it ain't broke don't fix it" I will stay the course and trust the plan. It's just going to be real awkward when it comes to fruition and people are going to have to come to grips with it. Think normies and DJT victory. Anti-Q people, while in their right to feel such a way, seem just as misguided to us who believe as the normies and doomers are to TDW.
